Next, click on either green “Download Books” icons.

Thousands of eBooks, audiobooks, music, and video titles are available for library cardholders to download. You can read or listen on your computer, and some can be transferred to compatible eBook readers, smartphones, or portable audio devices.

Please note that digital books can be enjoyed at home, at work, or when you travel, but are generally not for use on the computers in your library.

- **First**, download and install the free software on your computer. If you want to read Adobe PDF or EPUB books, download [Adobe Digital Editions](#). If you want audiobooks, music, or video, download [OverDrive Media Console](#). You will only need to do this the first time.
- **Next**, browse or search the [Greater Phoenix Digital Library](#) for ebooks, audiobooks, music, or video. When you locate a title of interest, simply add it to your Book Bag and check out with your library card and PIN numbers. ([More information on the checkout process.](#))
- If a book is not available, it will say Place Hold instead of Add to Book Bag. Enter your email address and you will get an email when the book is available, then you will have 48 hours to check it out. Once you have checked out the ebook, a download page will be displayed. Click each download button to download your book(s). Once the download is complete, you can close your Internet connection and enjoy your digital book offline.
- Some books can be transferred to portable devices such as ebook readers and MP3 players: [see this flyer](#) for more information. [Click here](#) for a list of recommended compatible devices.

**NEW!** Most Greater Phoenix Digital Library ebooks are now compatible with Amazon Kindle. See [this page](#) for more information on how to download and transfer ebooks to the Kindle or Kindle reading app. For help with the Kindle, click [here](#).

- You will never accrue late fees with digital books. At the end of the digital book loan period, the title will expire and be automatically 'returned' to the library. At this time, you can delete the expired file from your computer and/or portable device.

### The Basics Needed To Download...

To access digital media titles at Greater Phoenix Digital Library, you will need:

1. A valid library card
2. Access to the Internet from your own personal computer
3. Freely available software for the device on which you wish to use your audio book, ebook, music or video title.

The screenshot shows a Windows Internet Explorer browser window displaying the Greater Phoenix Digital Library website. The browser's address bar shows the URL: <http://phoenix.lib.overdrive.com/6ADC8724-FC86-4BC7-A2C5-058FD9003F8>. The website features a prominent red and orange header with the text "Greater Phoenix Digital Librar". Below the header is a search bar with a dropdown menu set to "all", a search input field, and a "GO!" button. There is also a checkbox for "Limit to available copies" and a link for "Advanced Search...". A navigation menu includes links for "GPD Home", "Login", "My Account", "Libraries", "Help", and "Contact Us". The main content area is divided into several sections: "Accessible eBooks for the print-impaired - Click here.", "Browse Collections" with links for "Audiobook Fiction", "Audiobook Nonfiction", "eBook Fiction", and "eBook Nonfiction", "New Releases" featuring book covers for "Luminarium" by Alex Shakar, "Hound Dog True" by Linda Urban, "Alvin Ho Collection, Books 3 and 4" by Lenore Look, and "Empire Falls" by Richard Russo, and "Recently Returned". The browser's status bar at the bottom shows "Done" and "Internet" with a 100% zoom level.

There are three ways to search for a Kindle Book. One is to type an author's name or book title in the Search Box and select "Kindle Books"

Amazon's website will open in a new window.

The screenshot shows the Amazon.com website in a Windows Internet Explorer browser window. The address bar displays the URL: <http://www.amazon.com/gp/product/library-lend-redemption/B000W9393Y?tc>. The page title is "Amazon.com: Equal Rites (Discworld Novels) eBook: Terry Pratchett: Kindle Store".

The main content area features a large heading: "Get Your Public Library Loan". Below this heading, there is a book cover for "Equal Rites" by Terry Pratchett. To the right of the cover, the text reads: "Equal Rites (Discworld Novels) [Kindle Edition] Terry Pratchett (Author)".

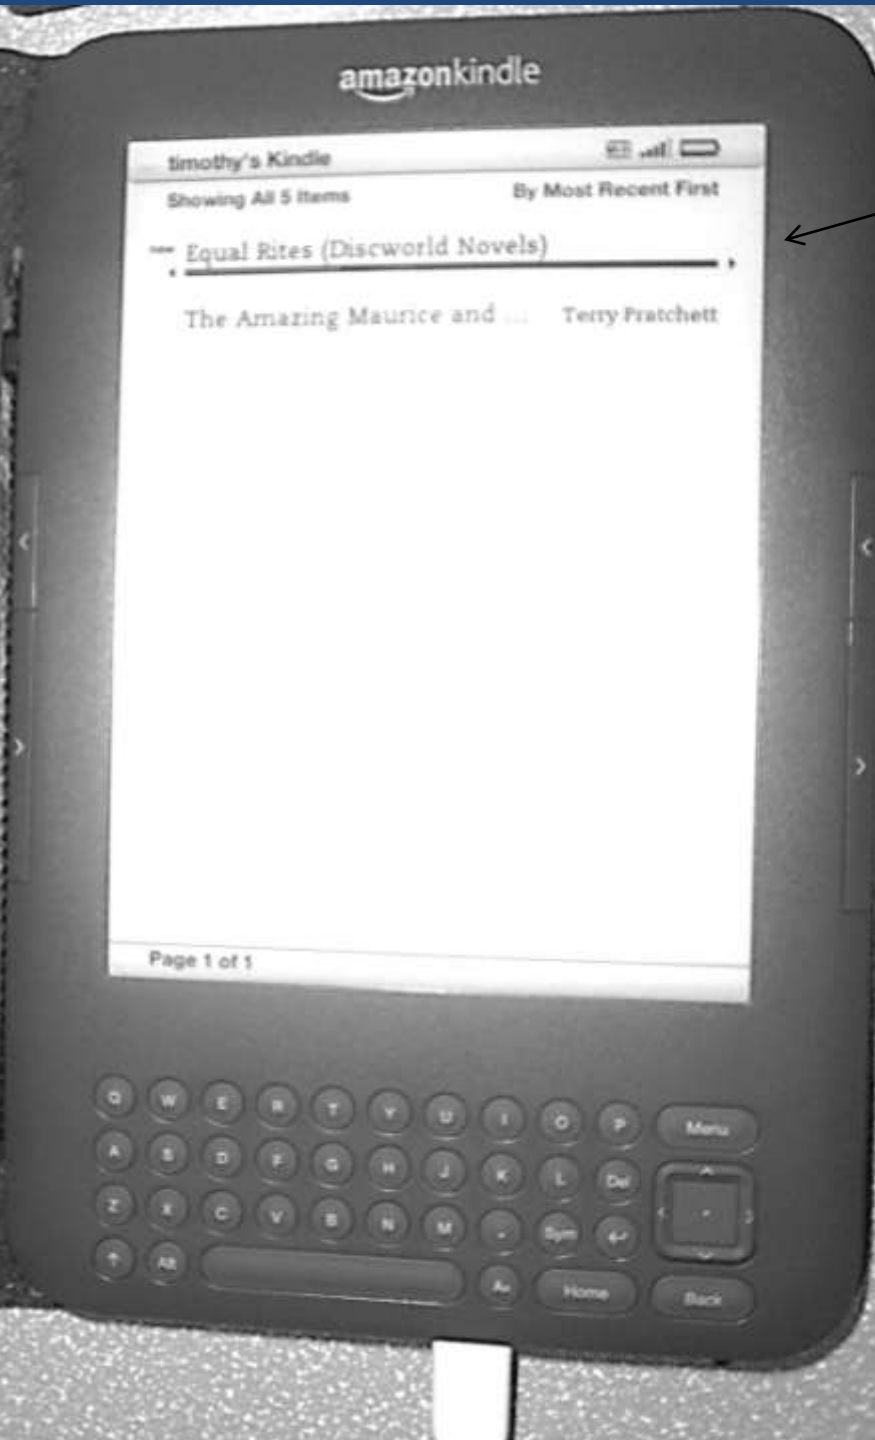

Below the book information, there is a list of bullet points: "Public library books require an active Wi-Fi connection for wireless delivery to a Kindle device. Library books will not be delivered via your".

On the right side of the page, there is a green box with the text: "You are signed in as **timothy.bastek@chandlera...** Use a different Amazon account". Below this text, a red box highlights a yellow button labeled "Get library book".

Below the "Get library book" button, there is a "Deliver to:" section with a dropdown menu showing "timothy's Kindle" and a list of options: "timothy's Kindle", "—OR—", "Transfer via Computer", and "Register a new Kindle".

The left sidebar contains a "Browse Collection" section with links for "Audiobook Fiction", "Audiobook Nonfiction", "eBook Fiction", "eBook Nonfiction", "Music", "Video", "Browse By Subject", "Kids", "Teens", and "Featured Collections".

If you have Wi Fi, you can choose to download the book to the computer or directly to your Kindle. Click on "Get library book." If you're not signed in to your Amazon Account, you'll be asked to do sign in once you select "Get library book."

The book will download onto the home page of your Kindle.

If the book doesn't download to the home page and appears in your Archived Items, don't panic. All this means is you're not connected to a wireless network.

To fix this, go to your Menu from your home page, select "Settings" then view your Wi Fi Settings. From here, connect to a local wireless network. Once you're connected, the Kindle Book will be downloaded to the home page.

If a book you want isn't available, you can place it on hold by clicking "Place a Hold."
